

**Welcome to Madrid, España!
We are glad to have you here!**

Some things to consider:

Before traveling:

Make sure, if you are coming from a country considered as being 'moderate' risk for yellow fever, that you bring with you your vaccination certificate, it may be requested at your entrance to the country.

In this link you can see and download information about transportation options and prices from the Adolfo Suárez Barajas Airport to the Madrid 2018 Congress area.

5. Weather and Electricity:

October is autumn in Madrid, with temperatures between 10° and 20° C. Surely, it is a perfect opportunity to see the parks of the city wrapped in reddish and ochre shades of colours.

The electric network in Spain operated at 220 volts and 50 hertz, if you come from a country whose electric network has different characteristics, you should use an electric transformer when connecting your devices in order to avoid accidents.

6. Meals: All over the Congress area you can find restaurants, cafeterias and a small mall.

IMPORTANT: Please recall that the congress is sold out and there will be no on site registrations.
